

Would you like to share your business knowledge and professional experience with current students?

What is the Mentor Program?

The Mentor Program is a seven-month program, from Fall 2020 to Spring 2021, designed to provide students with an invaluable opportunity for personal and professional development through the support of a mentor.

Why become a Mentor?

- Stay actively involved with the University
- Give back to the University
- Network with current students
- Preview a potential employee

As a Mentor, you will be assigned a student (mentee) from one of our eight regional campuses to provide him/her with additional guidance and support in some of the following areas:

- Support student's academic goals
- Build self-confidence for the workplace
- Enhance student's skills and knowledge
- Establish a communication network
- Explore student's career interests and assist with career planning

How do you become a Mentor?

- Complete and submit the Mentor Application Form, Letter of Recommendation, a current Resume, Participation Agreement, and a DISC Personality Profile by August 21, 2020.
- Be willing to share your knowledge, experience, and industry expertise with a student.
- Be willing to provide advice and guidance to a student in support of his/her success.
- Attend the Mentor Orientation & Mixer on October 17, 2020, meet with your assigned mentee once a month at a minimum for seven months, participate in monthly virtual mentor team meetings, attend one mentor networking event, and attend the Mentor Closing Ceremony on May 8, 2021.
