

NAME: \_\_\_\_\_

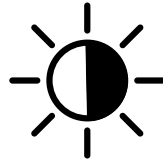

# Chitalpa

## Chitalpa tashkentensis

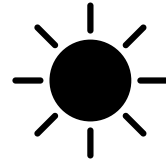

My tree needs (circle one):

Full sun

Partial sun

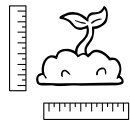

Full shade

**CARE**

**INSTRUCTIONS**

with enough room to grow \_\_\_\_ ft. tall and \_\_\_\_ ft wide

My tree needs healthy soil to stay happy. It should be placed in a hole that is \_\_\_\_ ft. deep.

My tree needs water every \_\_\_\_ days.

I understand the big responsibility that owning a tree is. I will be (check one):

- Planting my tree at home.
- Donating my tree so that it has plenty of room to grow!

I will be a good steward of the environment. No job is too big, and no action is too small. The care for our Earth is a job for us all! I will make one mindful change to my habits to help the Earth. I will:
